Qo'lingizdagi kitob uning o'zi yaratgan qo'shiqlar to'plami bo'lib san'atsevarlar hukmiga havola etilmoqda.

SO'Z BOSHI

San'at olami shunday o'lgan beqiyos va sirli olamki, yuragi jo'sh urib turgan har bir inson undan bahra olish, quvonish istagida albatta, bo'ladi. Ayniqsa qo'shiq, kuy tinglaganda inson ruhiy va ma'naviy ozuqa olishini qadimdan bobokalonlarimiz bir necha bor ta'kidlab o'tishgan.

Shunday ekan birov dildan qo'shiq kuylaydi, birov cholg'uda maromiga etkazib kuylar ijro etadi, kimlardir shunday kuy va qo'shiqlarni yaratadi, tinglovchilar esa yaratilgan kuy va qo'shiqlarni tinglab ma'naviy ozuqa olishadi.

Men oddiy ijodkor o'qituvchi sifatida baholi qudrat mahalliy shoirlarimizdan tortib, Respublikamizda taniqli shoirlarimiz she'rlariga kuy bastalab qo'shiqlar yaratishga harakat qildim.

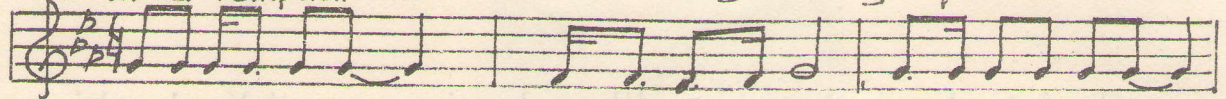

Ushbu to'plamni "Qalb navolari" deb atadim. To'plam mening bir necha yillik ijodiy mehnatim mahsulidir. To'plamdan o'rin olgan qo'shiqlarim qo'shiqsevar muxlislar qalbidan joy olsa demakki baxtiyor ijotkorman.

Niyatim, Ollohning in'omi bo'lgan kuy va qo'shiq tinglash istagi hech birimizni zinhor tark etmasin.

LOLA

Shukur Sa'dulla she'ri

Quyoshga intilishar,

Tog'lardagi lolalar.

Quchoq-quchoq terishar,

Quv nab yayrab bolalar.

Shabada tursa asta,

Salom berar egilib.

Qiz teribdi bir dasta,

Qarab qoldim tikilib.

Bargi yashil va tarang,

Shapaloqday har biri.

Lolaga siz bir qarang,

Gullarning eng dilgiri.
